

SOUTH AFRICA

LUTZVILLE

CABERNET SAUVIGNON 2016

Tasting notes:

A nose that reminds of dark fruit and hints of mint with good body and structure on the palate. Made from grapes harvested from selected vineyards on the banks of the Olifants River, where loamy soil produces excellent Cabernet Sauvignon grapes. Vineyards situated closer to the Atlantic produce more minerality, while those further away provide the dark fruit flavours. Cool evenings enhance good colour and ensure balance and soft tannin while retaining juicy blackcurrant aromas complemented by a touch of vanilla spice , a hint of mint and supple, ripe tannins .
