

SOUTH AFRICA

LUTZVILLE

NATURAL SWEET RED

Tasting notes:

Ruby-red vibrant colour, red berries on the nose with balanced sweetness on the palate. Pinotage, a varietal native to South Africa, forms the backbone of this wine and ensures freshness and liveliness.

Add the softness of Merlot and a little spice from Ruby Cabernet, and you have the whole spectrum of flavours that make up this wine. Grapes are not overly ripe at harvesting to ensure lower alcohol and an elegant, fresh and fruity wine with aromas of ripe berry backed by undertones of candyfloss..
