

SOUTH AFRICA

LUTZVILLE

NATURAL SWEET WHITE

Tasting notes:

Pale straw colour with a nose of grapes and muscat and good balance between sweetness and acidity.

Made from Chenin Blanc grapes with moderate growth in direct sun, resulting in a wine that reflects the abundant light and splendour of South Africa. A small quantity of Muscat is added to give a honey taste, while some juice adds sweetness. A youthful and refreshing wine with fresh grape and tropical fruit-salad flavours.
